BRC Imagination Arts
in association with
NASA – Kennedy Space Center
and
Delaware North Companies, Parks & Resorts

Michael Boshears – Ride System Electrical Engineer Manager
Tim Foster – Ride System Mechanical Engineer Manager
Michael Reeves – Ride System Electrical Engineer
Andy Sherrell – Ride System Electrical Engineer Technician
Randy Price – Ride System Installation Manager
Jim Martin – Ride System Fabrication Manager
Dick Fleshman – Ride System Fabrication Coordinator
Randy Cranor – Ride System Fabrication Foreman
Joe Biggin – Ride System Mechanical Engineer
Joe Stormer – Ride System Mechanical Engineer
Eric King – Ride System Mechanical Designer
Nick Miller – Ride System Mechanical Engineer
Ken Foley – Ride System Mechanical Fabrication Manager
Darin Bolen – Ride System Mechanical Fabrication/Installation
Rusty Penney – Ride System Fabricator/Mechanical Installation
Don Sabo – Ride System Fabricator/Mechanical Installation
Joel Ridings – Ride System Fabricator/Mechanical Installation
Jose Leon – Ride System Installation Technician
George Fogarty – Ride System Installation Technician
Scott Christianson – Ride System Lead Electrical Technician
Sean Guidry – Ride System Electrical Technician
Leslie Laurene – Ride System Electrical Technician
Will Chamberlain – Ride System Fabricator
Ian Morian – Ride System Fabricator
Charlie Teeter – Ride System Fabricator
Tom Noble – Ride System Machinist/Mechanical Technician
Shane Lanier – Ride System Fabricator
Terry Jones – Ride System Fabricator
Ritchie Ruiz – Ride System Installation Technician
Todd Rupert – Ride System Shop expediter
Tim Rigdon – Ride System Receiving
Nick Thomareas – Ride System Finance Manager
Dave Mauck – Ride System Technical Director

Clay Cabanillas – Ride System Q/A Inspector
Curtis Baumann – Ride System Purchasing/Expeditor
Rob McCauley – Ride System Purchasing/Expeditor
Brian Shepers – Ride System Mechanical Designer
Cliff Jennings – Ride System Senior Designer
Steve Bewick – Ride System Fabricator
Bill Saghey – Ride System Mechanical Designer
Zoie Baker – Ride System Mechanical Technician
Joe Chabot – Ride System Mechanical Technician
Karen Acostar – Ride System Purchasing/Expeditor
Carl Overby – Ride System Fabricator/Mechanical Technician
Bobby Small – Ride System Mechanical Technician
Chris Hartwig – Ride System Fabrication Supervisor
Richard Ely – Ride System Fabrication Coordinator
Richard Scott – Ride System Fabrication Estimator
Terry McMillian – Ride System Quality Assurance Manager
Mike Roberts – Ride System Fabricator
Gerald Rettner – Ride System Machinist
Dan Nguyen – Ride System Waterjet Technician
Aaron Garrison – Ride System Mechanical Technician
Harry Williams – Ride System Mechanical Technician
Zachary Noakes – Ride System Mechanical Technician
Peter Hundtermark – Ride System Mechanical Designer
Jim Leonard – Ride System Technician Supervisor
Mark Holderman – Ride System Mechanical Technician
Keith Fisher – Ride System Mechanical Technician
Scott Generous – Ride System Mechanical Technician
Alan Lemay – Ride System Fabricator
Joseph Day – Ride System Fabricator
Gary Kouns – Ride System Fabricator
George Koch – Ride System Quality Manager
Sanh Nuth – Ride System Machinist
Sukvinder Basson – Ride System Machinist
Barry Mistry – Ride System Machinist
Toheit Abraham – Ride System Machinist
Jerry Lasley – Ride System Quality Inspector
Anthony Booth – Ride System Painter
Terrence Scott – Ride System Fabricator
Charlie Lewis – Ride System Fabricator
Randy Kellum – Ride System Fabricator
Jeffery Fraiser – Ride System Fabricator
Matt Leach – Ride System Fabricator
Mike Griesenbeck – Ride System Fabricator
Jack Chojnacki – Ride System Q/A Inspector
